June 4, 2013

Dear Paige and Jim:

Congratulations! On behalf of Queen City Sertoma Club, we are proud to honor you as our Service to Mankind Award recipients for 2013. Service to Mankind is Sertoma's highest honor, given to individuals outside of the Sertoma Community who exhibit the same high standards of community service and volunteer spirit as Sertomans aspire to.

Queen City Club member, Virginia Altis nominated you for this year's award and your work in our community makes you wonderful recipients. We would be honored if you can join us on June 21st for our annual Awards Banquet so that we may recognize your dedication to service in our community.

Best Regards,

Christy Townsend
